## About Us

Luuka Plastics Limited is the leading manufacturer of flexible packaging materials and plastics products with its head office located at Kawempe, with 2 newly established state of the art manufacturing facilities in Namanve and Matugga.

We take pride in delivering top quality products and services to our customers in Uganda, Kenya, Tanzania, Rwanda, Burundi, Congo and South Sudan.

We are ISO 9001: 2015 certified. Our products are tailor made to serve a huge variety of industries such as foodstuffs & confectionary, fast moving consumer goods, pharmaceutical products, personal hygiene products, agriculture, construction and much more. Our solutions incorporate high quality laminates with registered cold seal, hot filled laminates, all types of pouches, shrink sleeves, foils, customer options are almost endless.

A large collection of various food items, including grains, oils, and packaged goods, displayed on a dark background. The items include bags of rice, flour, and other grains; boxes of instant noodles and other packaged foods; and various oils and condiments. The items are arranged in a dense, overlapping manner, showcasing a wide variety of food products.
